Servant Life exists to see the gospel of Jesus Christ proclaimed and lived out among the Nations. Servant Life seeks to help students go and make disciples of all nations by sending students and church groups on short-term mission trips. Our goal is to provide life-changing mission experiences that will challenge students to serve the world selflessly and align their hearts to the needs of the Nations. As a group leader, this agreement outlines your commitment to Servant Life and our partners.

I am responsible for the Spiritual guidance of all individuals in our group.

This includes, but is not limited to, counseling students and adults concerning spiritual matters and partnering with ministry partners to provide the most effective spiritual guidance for the group. Leaders should equip their students to work with internationals on the trip. Leaders should also be prepared to offer spiritual guidance to others as needed.

I understand that any damages incurred on property due to actions from members of our group will be the sole responsibility of that individual or our church.

I understand that all decisions regarding medical needs of individuals under my supervision are the sole responsibility of me in conjunction with advice given by ministry partner.

This includes, but is not limited to, decisions about medical/injury treatment, collecting and maintaining copies of medical release forms, medical history or attendees' medical insurance information, transportation to medical facilities if needed and communication with parents or guardians regarding any medical needs of attendees.

I am responsible for taking care of all individuals traveling on the Servant Life trip.

Any individual that is joining the group during the Servant Life trip falls under the leadership of the group leader.

I understand that a supplemental insurance policy has been purchased for every trip participant.

I will rely on the guidance of the ministry partners for decisions related to care or treatment, in the case of an accident or injury. Upon submission of a claim, any reimbursements owed for treatment will be handled by HCC Medical Insurance Services. Please refer to policy information given in the team notebook you receive two weeks before the trip.

I am responsible for a child protection policy.

This would include conducting background checks on any adult you bring, as well as establishing guidelines and policies that ensure the safety of the students you bring to camp. Anyone 18 years of age and older is considered an adult.

_____ Please initial here indicating that you or your church have run background checks on the adults going on this trip. The organization used to run these background checks was: _____.

I understand that I am responsible to uphold the guidelines that Servant Life and mission partners have set that will be communicated to each student and adult on Servant Life trips.

This includes, but is not limited to, dress standards, attendance, guys and girls being in appropriate rooms, appropriate gender relationships between trip participants and nationals, no alcohol, tobacco, drugs, weapons or fireworks. This also means that all students will be equipped and prepared to share their faith.

I am responsible to conduct a trip training session lead by Servant Life materials or my own materials.

I am responsible to submit to Servant Life partners and adhere to their guidelines.

I understand my responsibilities as the authorized agent of my group and I will properly train, educate and inform each of my students to help our group carry out our assigned tasks and expectations.
